**********

Chief Engineer& Chief General Manager (Tech) BSWML welcomed all the officials and the representatives of the agencies/ firms for below works for which pre- Bid meeting was called. Representatives of various companies as above were present in the said pre bid meeting.

The queries/clarifications sought by the agencies with regard to bids invited, were received in writing / e-mail & through KPP portal. The clarifications are issued according to the tenders invited as under: -

**SUBJECT-1: "Supply, Installation, Commissioning and Operation & Maintenance of Shredders and Chopper along with Infrastructure at selected locations in BBMP"**

| Sl. No | Tender Doc Ref | Query Raised | Clarifications/Amendments issued |
|---|---|---|---|
| | **1. M/s. SADHANA ENVIRO ENGINEERING SERVICES** | | |
| 1 | Clause 6 of General Condition in Page No. 40 Joint Venture / Consortium allowed | In One of the point, its mentioned that JV is allowed, request to consider Consortium not Joint Venture. | Modified as - only Consortium is allowed. |
| 2 | Tender Clause | The last date of receipt of the tender is stated as 04.03.2024, but by considering that the documents to be submitted are large, to arrange for those, we would require a minimum of 20 days. Hence, request to postpone Bid submission date to 24.03.2024. | Last date is fixed at 06.03.2024, upto 4:00 PM. |
| 3 | Tender Clause | As part of the performance certificate is concerned, we request to kindly accept 3rd party report also since in many places, the SWM site is in construction stage, they have procured and might not have been running the machinery. | 3rd party report with proof of Payment received shall be produced and same will be considered for evaluation. |
| 4 | The Tenderer should be a manufacturer/authorized dealer in consortium who must have manufactured, tested and supplied the equipment's similar to the type specified in the schedule of requirements upto at least 30 Nos (Shredder/Chopper of minimum 1TPD & above capacity) in last 3 financial years to any Government departments/Local bodies/for use to Govt or local bodies and these should be working satisfactorily. (Usually not less than 80% of the requirement. However, it will be 40% with respect to Micro and small Enterprises – 15 Nos in any one of the last 2 years) | Here it is to bring into your kind notice that supplying of 15 Nos of shredders and commissioning in a single year is not possible because such quantity tenders are rare in a single year, so request to relax it for 15 Nos in last 3 years. | Requested is accepted. In case of Micro and Small enterprises, supply of 15 No's in any three years out of last five financial years years is accepted |

| | | | |
|---|---|---|---|
| 5 | Solvency Certificate issued by any scheduled bank for Rs 1200 lakhs shall be furnished | It has been already asked to submit Line of credit/ Banker certificate for Rs 450 lakhs, being an MSME, it will be difficult to submit both the certificate at this point of time so we request to kindly ask for only Line of Credit/Bankers certificate. | Requested is accepted.<br>Since LOC is to be provided Solvency certificate need not be furnished. |
| 6 | Mandating satisfactorily completion as a prime Contractor, at least one similar nature of work in Fire Protection project works to as extent of 50% of the cost of the work (Rs.225.00 lakhs) | We request to kindly remove this Criteria as most of the contractors who has the Quantity required as per Qualification criteria for steel, concrete works etc doesn't have experience in Fire Protection Project. | The Clause is modified as Mandating satisfactorily completion as a prime Contractor, at least one similar nature of work in Civil works to as extent of 50% of the cost of the work (Rs.225.00 lakhs) |
| 7 | Either, of the consortium member should have maintained minimum of one year experience of operation and maintenance of SWM plant or similar machines in any last Five years. | We request to kindly relax the O and M experience in last 5 years to 10 years as most of the ULB's have not outsourced the O and M work in recent years due to financial burden. Also request to consider Annual Maintenance Contract of 1 year in any one of the last 5 years as AMC's tenders for plants along with the supply are the most preferred option for ULB's. | O&M experience or annual maintenance contract experience of one year any one of the last 5 year is accepted. |
| 8 | | Preferences to the MSME's shall be provided based on notification issued by GoK No FD 537 EXP-12/2021 dated 25th July 2022.<br>- Government of Karnataka has come up with a notification to provide Preferences to MSME's to promote industrial growth. So, we request to kindly consider this and incorporate in the tender (Copy of notification attached for your reference). | The G.O if applicable to this tender, then the same will be considered. |

All the bidders are requested to participate in the bidding process and further the bidders are instructed to note the above clarifications/amendments issued.

Chief Engineer &
Chief General Manager (Tech)
BSWML
